Special Print Materials

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009
ISBN: eISBN:
Item type: section
Publisher: Oxford University Press
DOI: 10.1093/jama/9780195176339.021.52

Many of the special materials covered in this section may also be accessed (and cited) in an online format. To see examples of these citation formats, please consult , Electronic References. The version consulted (print or online) is the version that should be cited.References to newspapers should include the following, in the order indicated: (1) name of author (if given), (2) title of article, (3) name of newspaper, (4) date of newspaper, (5) section (if applicable), and (6) page numbers. Note: Newspaper names are not abbreviated. If a city name is not part of the newspaper name, it may be

Newspapers

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009
ISBN: eISBN:
Item type: section
Publisher: Oxford University Press
DOI: 10.1093/jama/9780195176339.022.77

References to newspapers should include the following, in the order indicated: (1) name of author (if given), (2) title of article, (3) name of newspaper, (4) date of newspaper, (5) section (if applicable), and (6) page numbers. Note: Newspaper names are not abbreviated. If a city name is not part of the newspaper name, it may be added to the official name, for clarity, as with Minneapolis in example 1. See example 5 for how to treat an article that " jumps" from one page to a later page (see also , References to Print Journals, Discontinuous Pagination). 1. Wolfe W.

Government or Agency Bulletins

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009
ISBN: eISBN:
Item type: section
Publisher: Oxford University Press
DOI: 10.1093/jama/9780195176339.022.78

References to bulletins published by departments or agencies of a government should include the following information, in the order indicated: (1) name of author (if given); (2) title of bulletin; (3) place of publication; (4) name of issuing bureau, agency, department, or
