

Editing and Proofreading Marks Quiz by Laura King, MA, ELS

Directions: Although most editing and proofreading are now performed electronically, corrections still sometimes need to be marked on printed manuscripts and typeset copy. Because of this, editors need to be able to identify and use correct editing and proofreading marks. Test your knowledge in this area by identifying the meaning of the following marks. Consult section 23.1 of the *AMA Manual of Style* for guidance.
