Titles and Headings

Brenda Gregoline

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.021.167

Item type: section

Capitalize major words in titles, subtitles, and headings of publications, musical compositions, plays (stage and screen), radio and television programs, movies, paintings and other works of art, software programs, websites and weblogs, electronic systems, trademarks, and names of ships, airplanes, spacecraft, awards, corporations, and monuments. Do not capitalize a coordinating conjunction, an article, or a preposition of 3 or fewer letters, except when it is the first or last word in a title or subtitle. (For more on typeface rules when referring to works of art, see , *Typography, Specific Uses of Fonts, Italics, and , Punctuation, Quotation Marks, Titles.*)

Titles of Medical Articles

Brenda Gregoline

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.386

Item type: section

Titles of articles take initial capitals when they are in the title position but not when they are in the reference position. In titles and headings, capitalize 2-letter verbs, such as go, do, am, is, be. Note: In infinitives, “to” is not capitalized. Do not capitalize a coordinating conjunction, article, or preposition of 3 or fewer letters, except when it is the first word in the title or subtitle. What Is Sarcoma? We Do Need to Treat Mild Hypertension Where the World Will Be in the Year 2020 Defining the Role of Computed Tomography in Injuries Resulting From Blunt Abdominal Trauma
