Special Print Materials

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.021.52

Item type: section

Many of the special materials covered in this section may also be accessed (and cited) in an online format. To see examples of these citation formats, please consult , Electronic References. The version consulted (print or online) is the version that should be cited. | References to newspapers should include the following, in the order indicated: (1) name of author (if given), (2) title of article, (3) name of newspaper, (4) date of newspaper, (5) section (if applicable), and (6) page numbers. Note: Newspaper names are not abbreviated. If a city name is not part of the newspaper name, it

Newspapers

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.77

Item type: section

References to newspapers should include the following, in the order indicated: (1) name of author (if given), (2) title of article, (3) name of newspaper, (4) date of newspaper, (5) section (if applicable), and (6) page numbers. Note: Newspaper names are not abbreviated. If a city name is not part of the newspaper name, it may be added to the official name, for clarity, as with Minneapolis in example 1. See example 5 for how to treat an article that “jumps” from one page to a later page (see also , References to Print Journals, Discontinuous Pagination). 1. Wolfe W.

Government or Agency Bulletins

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.78

Item type: section

References to bulletins published by departments or agencies of a government should include the following information, in the order indicated: (1) name of author (if given); (2) title of bulletin; (3) place of publication; (4) name of issuing bureau, agency, department, or

other governmental division (note that in this position, Department should be abbreviated Dept; also note that if an author supplies US Government Printing Office as the publisher, it would be preferable to obtain the name of the issuing bureau, agency, or department, if possible); (5) date of publication; (6) page numbers, if specified; (7) publication number, if any;

Serial Publications

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

ISBN: eISBN:

Item type: section

Publisher: Oxford University Press

DOI: 10.1093/jama/9780195176339.022.79

If a monograph or report is part of a series, include the name of the series and, if applicable, the number of the publication. 1. Ministry of Health. National AIDS Control Program. Dar es Salaam: Ministry of Health, United Republic of Tanzania; 2001. HIV/AIDS/STI Surveillance Report 16. 2. West S, King V, Carey TS, et al. Systems to Rate the Strength of Scientific Evidence. Rockville, MD: Agency for Healthcare Research and Quality; 2002. Evidence Report/Technology Assessment 47. 3. US Department of Commerce. Population Division: Income, Poverty and Health Insurance Coverage in the United States, 2003. Washington, DC: US Bureau of

Theses and Dissertations

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

ISBN: eISBN:

Item type: section

Publisher: Oxford University Press

DOI: 10.1093/jama/9780195176339.022.80

Titles of theses and dissertations are given in italics. References to theses should include the location of the university (or other institution), its name, and year of completion of the thesis. If the thesis has been published, it should be treated as any other book reference (see , References to Print Books, Complete Data). 1. Fenster SD. Cloning and Characterization of Piccolo, a Novel Component of the Presynaptic Cytoskeletal Matrix [dissertation]. Birmingham: University of Alabama; 2000. 2. Undeman C. Fully Automatic Segmentation of MRI Brain Images Using Probabilistic Diffusion and a Watershed Scale-Space Approach [master's thesis]. Stockholm, Sweden: NADA, Royal

Special Collections

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

ISBN: eISBN:

Item type: section

Publisher: Oxford University Press

DOI: 10.1093/jama/9780195176339.022.81

References to material available only in special collections of a library, as this example of a monograph written in 1757, take this form: 1. Hunter J. An account of the dissection

of morbid bodies: a monograph or lecture. 1757;No. 32:30-32. Located at: Library of the Royal College of Surgeons, London, England. |

Package Inserts

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

ISBN: eISBN:

Item type: section

Publisher: Oxford University Press

DOI: 10.1093/jama/9780195176339.022.82

Package inserts (the printed material about the use and effects of the product contained in the package) may be cited as follows: 1. Cialis [package insert]. Indianapolis, IN: Eli Lilly & Co; 2003. 2. ZstatFlu [package insert]. Oklahoma City, OK: ZymeTx Inc; 2000. |

Patents

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

ISBN: eISBN:

Item type: section

Publisher: Oxford University Press

DOI: 10.1093/jama/9780195176339.022.83

Patent citations take the following form. Examples 1 and 2 and 4 and 5 are for patents that have been issued and example 3 is for a patent that is pending. See the US Patent and Trademark Office home page (<http://www.uspto.gov/>) or the European Patent Office home page (<http://www.european-patent-office.org/index.en.php>) for further details. 1. Rabiner RA, Hare BA, inventors; OmniSonics Medical Technologies Inc, assignee. Apparatus for removing plaque from blood vessels using ultrasonic energy. US patent 6,866,670. March 15, 2005. 2. Guiliano K, Kapur R, inventors; Cellomics Inc, assignee. System for cell-based screening. US patent 6,875,578. April 5, 2005. 3. Castellano

Unpublished Material

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

ISBN: eISBN:

Item type: section

Publisher: Oxford University Press

DOI: 10.1093/jama/9780195176339.022.84

References to unpublished material may include articles or abstracts that have been presented at a society meeting but not published and material accepted for publication but not published. If, during the course of the publication process, these materials are published or accepted for publication, and if the author is familiar with the later version, the most up-to-date bibliographic information should be included. These oral or poster presentations take the following form: 1. Durbin D, Kallan M, Elliott M, Arbogast K, Cornejo R, Winston F. Risk of injury to restrained children from passenger air bags. Paper presented at: 46th Annual Meeting

Personal Communications

Cheryl Iverson

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.85

Item type: section

Do not include “personal communications” in the list of references. The following forms may be used in the text: In a conversation with H. E. Marman, MD (August 2005)... According to a letter from H. E. Marman, MD, in August 2005.... Similar findings have been noted by Roberts⁶ and by H. E. Marman, MD (written communication, August 2005). According to the manufacturer (H. R. Smith, oral communication, May 2005), the drug became available in Japan in January 2004. The author should give the date of the communication and indicate whether it was in oral or written (including email) form. Highest
