Boxes

Stacy Christiansen

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.130

Item type: section

UPDATE: We will discontinue using quotation marks to identify parts of an article, but retain the capitalization; eg, This is discussed in the Methods section (not the “Methods” section). This change was made February 14, 2013. A textual table or box contains words, phrases, or sentences, often in list form. Boxes are used to emphasize key points, summarize information, and/or reduce the narrative text (Example). |
