Indefinite pronouns refer to nonspecific persons or things. Most indefinite pronouns express the idea of quantity and share properties of collective nouns (see , Subject-Verb Agreement, Collective Nouns). Some indefinite pronouns (eg, each, either, neither, one, no one, everyone, someone, anybody, nobody, somebody) always take singular verbs; some (eg, several, few, both, many) always take the plural; and some (eg, some, any, none, all, and most) may take either the singular or the plural, depending on the referents. In the last case, usually the best choice is to use the singular verb when the pronoun refers to a singular word
