Capitalization of Main Entries

Bruce McGregor and Harriet S. Meyer

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.416

Item type: section

Although main entries have traditionally featured initial capitals to distinguish them from subentries, *The Chicago Manual of Style*, 15th edition, recommends lowercase, except when the entry term would begin with a capital, eg, proper nouns. This is especially worthwhile in biomedical publications, in which capitalization may be complex and may distinguish otherwise identical terms. AFP.
