

AMA Manual of Style

You are looking at 1-1 of 1 items for: **med-9780195176339-div2-365**

Types of Index

Bruce McGregor and Harriet S. Meyer

Print Publication Year: 2007 Published Online: 2009

Publisher: Oxford University Press

ISBN: eISBN:

DOI: 10.1093/jama/9780195176339.022.420

Item type: section

A single index is the most convenient for the reader. However, separate author and subject indexes are common in biomedical publications, especially journals. Separate indexes should be “visually distinct”(p757) and be distinguished typographically and by running headers or footers. |
