References to unpublished material may include articles or abstracts that have been presented at a society meeting but not published and material accepted for publication but not published. If, during the course of the publication process, these materials are published or accepted for publication, and if the author is familiar with the later version, the most up-to-date bibliographic information should be included. These oral or poster presentations take the following form: 1. Durbin D, Kallan M, Elliott M, Arbogast K, Cornejo R, Winston F. Risk of injury to restrained children from passenger air bags. Paper presented at: 46th Annual Meeting of
